

The **Premier** Association for  
Financial Practitioners (Singapore)

## AN OVERVIEW OF PROFESSIONAL INDEMNITY INSURANCE FOR FINANCIAL PRACTITIONERS

*Exclusive to IFPAS Members*

During this 2 hour session, the speaker will try and introduce a few key features relevant to General Insurance and how the PI policy is triggered. Using his years of insurance industry experience and technical background, he will use some good examples to highlight the application PI policy for the benefit of financial practitioners.

### **Workshop Outline:**

- Introduction to general insurance
  - A few points on the Principles of insurance
  - How does the PI policy respond?
  - Coverage and clauses
  - Application of retrospective cover
  - Typical claims scenarios.
- 
-

**Mr. Pooba Mahalingam**  
President  
Insurance Law Association  
of Singapore (ILAS)

**Pooba Mahalingam** is a professional engineer with over 25 years of experience in construction, insurance and loss adjusting. He has dealt with construction, engineering, liability and property claims for various insurance companies and reinsurers. He was with a global claims management company in Singapore and a member of their C.I.A team that serves Asia.

Pooba has handled some high profile engineering/ construction cases in the past and is a well-known presenter on project risks and claims handling procedures in Singapore and Malaysia. Pooba is also a Claims Management lecturer. He is actively involved in industry activities and is the current President of the Insurance Law Association of Singapore (ILAS).
